PO Box 418
Covington, TN 38019

**Subject: Termination of NPDES Permit Tracking Number TNG110016
51 Concrete Millington Ready Mix Plant
Millington, Shelby County, Tennessee**

Dear Mr. Scott:

This letter is to inform you the Division of Water Pollution Control (division) is terminating the above referenced permit coverage effective as of the date of this letter. As stated in your letter, activities at 7630 Raleigh-Millington Road that required an NPDES permit were sold effective March 31, 2012.

Please note that all discharges of storm water runoff and process wastewater associated with Ready Mixed Concrete Facilities require an NPDES permit from the division. Therefore, if you should decide to again discharge, you should submit an NOI in accordance with the requirements of the NPDES at least 30 days prior to the starting of any activities. A copy of the NOI form can be obtained at <http://state.tn.us/environment/permits/concrete.shtml>.

If you have questions, please contact the division at your local Field Office at 1-888-891-TDEC; or, at this office, please contact Jim McAdoo at (615) 532-0684 or by E-mail at Jim.McAdoo@tn.gov.

Sincerely,

A handwritten signature in blue ink, appearing to read "Vojin Janjić", is positioned below the "Sincerely," text.

Vojin Janjić
Manager, Permit Section
Division of Water Pollution Control
